> Dina/Solomon/Fernando - I apologize for the late invitation, but I wanted to make sure that you received the attached invitation to the January 27th "Topping Out" ceremony and reception that will take place at the University Village. This event will celebrate the workers, contractors and designers of the village and will mark the 50% completion of the project. It is literally 50% complete. If you are able to attend or have any questions, please let me know.
